

62ND ANNUAL CONFERENCE OF NATIONAL ACADEMY OF MEDICAL SCIENCES JAIPUR ON 11TH NOV TO 13TH NOV 2022 CME ON 11TH NOV & MENTOR-MENTEE PROGRAMME ON 13TH NOV. (OPEN FOR NON-FELLOWS AND MEMBERS) Dear Fellows, Members & Medical fraternity, It is my pleasure to inform you that the Rajasthan Chapter of the National Academy is organizing the 62nd Annual Conference at Jaipur on 11th to 13th Nov 2022. As you all know that National Academy is the highest academic body of the country which awards Fellowship and Membership to very distinguished Bio Medical Scientists to a very limited number of doctors.

This conference is also an occasion to convene a Convocation and award Fellowship and Membership to selected meritorious doctors of the country. We also have an aim to see that we inspire young doctors to take extra pains to achieve such a distinction. For this reason, we organize a CME on a very important medical problem like " Diseases of Life Style" and invite the most distinguished medical faculty of the country to deliver guest lectures on various aspects of the disease. We desire that young and aspiring doctors who are not Fellows and Members of the Academy are given a chance to listen to such distinguished faculty and interact with them. Hence, we invite such doctors to join the whole day CME on 11th Nov. Doctors joining CME would be given certificates and credit points.

We shall like them to interact with the experts during lunch or coffee hours (included with registration). We would be just charging a nominal fee of Rs 1000 only if registered before 31st Dec and Rs 1200 thereafter.

As per the desire of Dr. Shiv Sarin, President, NAMS, the first time we are organizing the Mentor-Mentee programme on the 13th Nov and for this, he has invited most of the illustrious medical scientists of various specialties. Many of them are President of various Academies. Mentor Mentee programme shall be held on 13th Nov and shall include lunch and Tea. and of course, certificate and credit points. Registration fee for this too would be Rs 1000/ till 31st Dec and Rs 1200 thereafter.

Registration is made quite easy
